AAU attracts seekers of education and work at TAWDHEEF 2019

Through its participation in the 13th edition of TAWDHEEF Exhibition 2019, Al Ain University of Science and Technology has witnessed a remarkable turnout from the students and visitors.

The exhibition, which was held at the Abu Dhabi National Exhibition Center by Informa Exhibitions for three days was opened by HE Sheikh Nahyan Bin Mubarak Al Nahyan, Minister of Tolerance, in the presence of a number of officials and with the participation of a wide range of governmental and private bodies and institutions.

AAU has strengthened its communication with students and visitors by answering their questions about the academic programs offered at the university at the level of bachelor's and master's degrees and introducing them to the university, its specialties, services and training programs, in addition to the job opportunities.

Al Ain University is keen to participate annually in TAWDHEEF to enhance the community engagement, exchange experiences and provide all that would serve the scientific and development fields.
