An MOU between AAU Library and UD Library

Al Ain University Library signed an MoU with the University of Dubai Library in the field of providing information and knowledge resources and services.

The agreement was signed by Dr. Abdoulaye Kaba – Library Director of Al Ain University, and Dr. Ali Amour Suleiman- Chief Librarian, University of Dubai.

The agreement includes strengthening and expanding the scope of cooperation in the field of exchanging sources of information and knowledge, using library facilities, and exchanging ideas and information related to information and knowledge.

It is worth mentioning that such agreements play an important role in achieving local and international recognition, providing sources of information and knowledge for faculty members and students, and contributing to achieving the vision and mission of Al Ain University.
