Meet & Hire Event

The "Meet & Hire" event is scheduled to take place on Thursday, 25 June 2026, at the University campus in Abu Dhabi. The event provides a valuable platform for employers to connect with students and graduates, offering opportunities to conduct direct interviews and identify qualified talents from a wide range of academic disciplines.

The event aims to enhance employment opportunities and strengthen collaboration between employers and the University, supporting the attraction of high-potential candidates and contributing to the development of a skilled workforce that meets the evolving needs of the labor market.
