Additional information:

1. For the Bachelor of Dental Surgery program:

An Interview is required.

Applicants who achieved a score between 80% and 89.9% in competency requirement subjects must take a remedial (pass/fail) course outside the academic plan, which does not count toward the cumulative GPA.

2. For programs taught in English, applicants must achieve a minimum High School English score of 80%, or a score of 5 in the IELTS exam, or 500 in the TOEFL exam. Those who do not meet this requirement must enroll in a 3 CR.H. remedial English course. This course is graded on a pass/fail basis, is not part of the academic plan, and does not count toward the cumulative GPA (This requirement is waived for those whose curriculum was taught in English).

3. For the (Pharmacy, Engineering, Law) programs, applicants who fail to meet the required subject scores must take a 3 CR.H. remedial course related to the deficient subject during their admission semester. This course is outside the academic plan and is excluded from the cumulative GPA.
